

## Installing and activating PDF Import for DraftSight

You can run the PDF Import for DraftSight plugin as a 30-days trial version to evaluate the plugin. It is required that you register your trial copy. When you purchase a license of the PDF Import plugin within or after the trial period, or right-away, you will receive a product key which will allow you to activate the product.

### To install the PDF Import for DraftSight plugin:

1. Make sure to close DraftSight before you start the installation.
2. Run the downloaded **PDFImport\_for\_DraftSight\_xxxx.exe** file (where xxxx specifies the release date).
3. Select the language for the installation.
4. On the **Welcome** dialog box, click **Next**.
5. Click **I agree** to accept the License Agreement.  
Please wait while the plugin installs.
6. Click **Finish** to close the setup wizard.

### To activate the PDF Import for DraftSight plugin as trial version or full version:

1. Run DraftSight.
2. On the **Insert** menu click **PDF Import...**
3. In the **PDF Import** dialog box, click **About...**
4. Click **Activate**.
5. In the Product Activation dialog box, click **Next**.
6. In the Activation dialog box, select whether you want to activate via **Internet** (recommended) or via **E-Mail**.
7. If you have no Graebert Account:
  - a. Click **Sign up**.
  - b. Fill out all fields marked with \*.
  - c. Click **Next**.
8. To login to the Graebert Account, type your **E-Mail** address and **Password**, then click **Next**.  
You receive a message that your account was verified successfully.
9. Click **Next**.
10. Specify whether you want to activate a **30 days trial version** or a **Full version**.

11. If you selected **Full version**, type or paste the product key you received in **Product key**.  
If you selected **30 days trial version**, no product key is required.
12. Click **Done**.

When you activate via E-Mail, you will need to fill out a contact form, then e-mail the information to [sales@graebert.com](mailto:sales@graebert.com). You will receive a license key for the trial or full version.

**To convert a trial version into a full version:**

1. Repeat steps 1 to 9 as described above.
2. Specify **Full version**.
3. In **Product key**, type or paste the product key you received.
4. Click **Done**.

**To uninstall the PDF Import for DraftSight plugin:**

1. On the Windows Start menu, click **Control Panel**.
2. Click **Programs and Features**.
3. In the list, select **PDF Import for DraftSight** and right-click.
4. On the shortcut menu, click **Uninstall**.
